

2024 Noto Peninsula Earthquake

Accepting donations for disaster relief

*As survivors of the Great Hanshin Earthquake,
let's help out the victims of the Noto Peninsula
Earthquake!*

With the cooperation of private companies, Hyogo Prefecture along with the Hyogo Prefectural Assembly and four local organizations have set up the “Hyogo Prefecture Committee for Soliciting Donations for the 2024 Noto Peninsula Earthquake” to gather donations to help victims.

After the Great Hanshin Earthquake, we learned the importance of helping others as we received a great deal of support from other parts of Japan and abroad. As survivors of such a large-scale disaster, we would like to ask you for your kind support.

Donation Period January 4 (Thu.) to April 30 (Tue.), 2024
