

Temporary Measures for Garbage Disposal Due to Shortage of Official Garbage Bags

If official designated garbage bags are unavailable for purchase, residents may temporarily use transparent or semi-transparent bags for garbage disposal.

Extended Period : Until September 30, 2026

- If you still have designated garbage bags, please continue using them.
- Garbage separation rules, collection days, and collection frequency remain unchanged.
- Please avoid stockpiling garbage bags and purchase only what you need.

Acceptable Bags

Transparent or semi-transparent bags with visible contents

Unacceptable Bags

Dry-cleaning bags

Thin roll-type plastic bags from supermarkets

Opaque bags whose contents cannot be seen

Garbage bags issued by other municipalities

Marking the Bag

Please write with a permanent marker

If Burnable garbage: 「可」 or 「○」

If Non-burnable garbage: 「不」 or 「×」

FAQ

Q. I still have designated garbage bags. Can I continue to use them?

A. Yes. Please continue using the designated garbage bags you already have.

Q. Can I use shopping bags from supermarkets or convenience stores?

A. Yes. During the temporary measure period, transparent or semi-transparent shopping bags (approximately 5–45 liters in size) may be used instead of designated garbage bags.
