

Notice from Ashiya City

The temporary measure regarding designated garbage bags will end on Wednesday, September 30

The temporary measure allowing residents to put out garbage in clear or translucent bags which was in effect only when designated garbage bags were unavailable—will end as scheduled, as the supply and sale of designated garbage bags at retail stores have stabilized.

Starting Thursday, October 1,
please continue to use Ashiya City designated garbage bags
for “burnable” and “other non-burnable” as usual.

Acceptable Bags (Burnable / Other Non-Burnable Garbage)	Designated Garbage Bags	Clear and Translucent Bags
Temporary Measures (Through September 30)	○	○
Transitional Measures (Public Notice Period) (Through October 13)	○	△ ※Notice Period
On or after October 14	○	× ※We will not collect garbage in these bags anymore.

*Clear and translucent bags can still be used to collect plastic bottles, cans, glass bottles, and paper recyclables after October 1.

Let's all keep it up! Please help us reduce waste!

- Let's reduce household waste.
- Let's follow the sorting rules correctly.
- Let's reuse and recycle items that are still usable.
- Let's ensure recyclable materials are sent for recycling.

Please purchase only the amount of designated garbage bags you need so that there are enough for everyone.
