

Key Points of the Revised Road Traffic Act 2024

-New traffic rules for cyclists-

1

Introduction of Fines

Cyclists aged 16 or more who ignore traffic lights or fail to stop at stop signs will be subject to the traffic violation notification system (payment of fines).

2

Strengthening of Penalties

From November 1, 2024

For details, see the reverse side.

The revised Act prohibits cyclists from using mobile phones while riding and introduces penalties for cycling under the influence of alcohol.

3

Ensuring Safety

When a car passes a bicycle on the right: ※1

- Cars must travel at a safe speed and maintain an appropriate distance from the bicycles.
- Bicycles are required to ride as close as possible to the left edge of the road.

※1 This refers to situations where there is not enough space between a car and a bicycle.

According to the Revised Road Traffic Act, issued on May 24, 2024:

- Items 1 and 3 will take effect within two years of issuance.
- Item 2 took effect on November 1, 2024.
